

Trailer Rentals

Our mobile event trailers are great for any special event!

With a capacity of approximately 700 bags of ice, this unit provides you with peace of mind for your event. A dedicated 115 volt single phase outlet is required to run this unit.

Party Ice Rental trailers operate from a simple 120-volt electrical connection, have no loud generators, and do not emit diesel fumes. They are easy to set up and easy to manage.
